34<sup>TH</sup> ANNUAL MEETING OF ASCVTS

16-19 APRIL 2026

SUSESI CONVENTION CENTER - ANTALYA/TÜRKİYE

— PRESENCE. PRECISION. PERSPECTIVE. —

## WELCOME

Dear Industry Partner,

On behalf of the organizing committee, it is my great pleasure to invite you to partner with us for the **34<sup>th</sup> Annual Meeting of the Asian Society for Cardiovascular and Thoracic Surgery (ASCVTS 2026)**, to be held in Antalya, Turkey, from April 16 to 19, 2026.

**ASCVTS 2026** will bring together leading cardiovascular and thoracic surgeons, interventionalists, cardiologists, anesthesiologists, and allied health professionals from across Asia and around the world. The meeting is structured around the central theme: **Presence. Precision. Perspective.**

This year's congress will be uniquely enriched by active collaboration with other major international societies including the American Association for Thoracic Surgery (AATS), the Society of Thoracic Surgeons (STS), and the European Association for Cardio-Thoracic Surgery (EACTS). The scientific program will feature joint symposia, cutting-edge debates, and shared global perspectives to ensure meaningful exchange and clinical advancement. The partnership between the surgical community and the medical industry has always been a cornerstone of progress in our field. It is through this collaboration that innovation becomes reality—translating into better tools, better strategies, and ultimately, better patient outcomes. Your presence at ASCVTS 2026 represents more than support; it signifies your commitment to the future of cardiovascular and thoracic care.

We are offering a broad array of opportunities for industry engagement, including branded symposia, educational workshops, product demonstrations, interactive exhibition booths, and sponsorship packages. The possibilities for creative and impactful collaboration are truly endless, and we are here to help you tailor your presence to best connect with the surgical and healthcare audience.

Over the years, ASCVTS meetings have served as a premier platform for innovation, dialogue, and cross-disciplinary learning in the Asia-Pacific region. Industry support has played a vital role in elevating the educational and scientific value of these meetings. Your participation in Antalya will ensure continued momentum and visibility at the heart of our specialty.

We warmly invite your partnership in making ASCVTS 2026 a memorable and impactful gathering. Your presence will not only be appreciated—it will be essential.

Because without you, the picture is never complete.

We look forward to welcoming you in Antalya and thank you in advance for your continued support and collaboration.

Sincerely,

**Sertaç Çiçek, MD**

President, ASCVTS 34th Annual Meeting

Professor and Chair, Department of Cardiovascular Surgery

Istanbul University Faculty of Medicine

Istanbul, Turkey

## ORGANISING SOCIETY

### The Asian Society for Cardiovascular and Thoracic Surgery (ASCVTS)

ASCVTS traces its origins back to 1973 when it was established as the Asian Chapter of ISCVS, the International Society for Cardiovascular Surgery. Founded by esteemed cardiovascular surgeons such as Drs. DeBakey, Haimovici and other eminent cardiovascular surgeons.

In 1992, ASCVS initiated collaboration between Korea, Taiwan, and Japan, marking a significant expansion of its reach and influence. The inaugural meeting took place in Fukuoka, Japan, in 1993, laying the groundwork for collaborative efforts in the field of cardiovascular surgery.

ASCVS's evolution continued with a strategic shift in 2004. As ISCVS restructured to focus solely on vascular surgery (becoming ISVS), ASCVS gained independence. Recognising the broader spectrum of cardiovascular care, ASCVS embraced this opportunity to redefine itself. By 2008, this commitment to comprehensive patient care manifested in the incorporation of thoracic surgery, transforming ASCVS into ASCVTS.

Today, ASCVTS boasts over 1000 members from 30 countries. We stand on a legacy of excellence, fostering education, research, and collaboration to improve patient outcomes across Asia

### Main Topics

#### I. Adult Cardiac

- a. Aortic and Endovascular
- b. End-Stage Heart Failure/Heart Transplantation/Extracorporeal Circulation/VADs
- c. Valves
- d. Coronary
- e. Minimally invasive and Robotic Cardiac Surgery

#### II. Congenital

- a. Pediatric Congenital Cardiac
- b. Adult Congenital Cardiac
- c. Basic Science Research and Other

#### III. General Thoracic

- a. End-Stage Lung Disease/Lung Transplantation
- b. Pulmonary/Chest Wall
- c. Esophagus
- d. Mediastinum and all other

#### IV. Basic Science Research

- a. Adult Cardiac
- b. Pediatric Cardiac
- c. General Thoracic

#### V. Critical Care

- a. Adult Cardiac
- b. Congenital
- c. General Thoracic
- d. ECMO

#### VI. Vascular Surgery

## PROGRAM HIGHLIGHTS

DAY 1 – 16 April 2026 - Thursday	
Time	Session
08:00 - 09:30	Registration
09:30 - 10:30	AATS-Post Graduate Course: Adult Cardiac Session 1 Coronary AATS-Post Graduate Course: Thoracic AATS-Post Graduate Course: Aortic AATS-Post Graduate Course: Pediatric Cardiac
10:30 - 11:00	Coffee Break
11:00 - 12:00	AATS-Post Graduate Course: Adult Cardiac Session 2 Mitral Valve AATS-Post Graduate Course: Thoracic AATS-Post Graduate Course: Aortic AATS-Post Graduate Course: Pediatric Cardiac
12:00 - 13:00	Lunch
13:00 - 14:00	AATS-Post Graduate Course: Adult Cardiac Session 3 Tricuspid AATS-Post Graduate Course: Thoracic AATS-Post Graduate Course: Aortic AATS-Post Graduate Course: Pediatric Cardiac
14:00 - 15:00	AATS-Post Graduate Course: Adult Cardiac Session 4 Aortic Valve AATS-Post Graduate Course: Thoracic AATS-Post Graduate Course: Aortic AATS-Post Graduate Course: Pediatric Cardiac
15:00 - 15:30	Coffee Break
15:30 - 16:30	AATS-Post Graduate Course: Adult Cardiac Session 5 Arrhythmia Surgery AATS-Post Graduate Course: Thoracic AATS-Post Graduate Course: Aortic AATS-Post Graduate Course: Pediatric Cardiac
18:00 - 19:00	Welcome Reception

DAY 2 - 17 April 2026 - Friday	
Time	Session
09:00 - 09:30	Opening Ceremony
09:30 - 10:00	Keynote / Plenary
10:00 - 10:30	Coffee Break / Poster Session
10:30 - 12:30	Adult Cardiac Congenital Vascular Thoracic
12:30 - 14:00	Lunch
14:00 - 16:00	Adult Cardiac Congenital Vascular Thoracic
16:00 - 16:45	Coffee Break / Poster Session/ Satellite Symposium
16:45 - 18:45	Adult Cardiac Congenital Vascular Thoracic

## PROGRAM HIGHLIGHTS

### DAY 3 - 18 April 2026 - Saturday

Time	Session
08:00 - 10:00	Adult Cardiac Congenital Vascular Thoracic
10:00 - 10:45	Coffee Break / Poster Session/ Satellite Symposium
10:45 - 12:45	Adult Cardiac Congenital Vascular Thoracic
